

Porty-PC LP17

2 PCI or 1 PCI /1 PCIe Slots

- 17.3" 16:9 LED Backlite TFT Full HD 1920 x 1080
- 2 Full-length Expansion Slots
- Support Intel Core™ i7-610E, Dual Core 2.53GHz
- Light Weight and Compact Design

Porty-PC LP17 is a robust portable computer built using all aluminum sheet metal to provide tough, go-anywhere unit suitable for tough environments and mobile applications. With the slim, light weight, and 2-expansion slots design, it can fit inside the airplane compartment and be freely configured with other uniquely designed add-on cards for various applications.

Every unit comes equipped with cooling fans and easy access to its expansion slots for immediate system upgrade or maintenance. With its simplistic design and rugged construction, the LP17 is a most economic, durable and versatile portable platform for your applications.
